

OCT. 8, – **Old Spanish-Trail 5-mile desert run.** Whitewater Parking Lot. Commendations to Corey Hinman, for arranging this well-facilitated (in addition to “well run”) event. This event was in collaboration with the Old Spanish Trails Association. This free race was timed using our new Jaguar timing system. Karla (& D.J.) Nephew over-saw a well-orchestrated event – with lots of snacks ‘n stuff afterwards! The course started out innocuously enough, but started to get “more interesting” as the route unfolded. The single-track up on the bluff overlooking the Gunnison River is always a treat.
