

April 7, WIDOWMAKER prox **6-mile & 9-mile trail** runs

The Race Director comments: Ideal running conditions, altho' at least one (lady) was lost ... but found. Very congenial group! à Conrad directed cars (& had a large sign) to the west parking lot, which left the main lot to a number of trucks. à Tom flagged the east loop and also picked up the flags – as did Conrad. It was a team effort. Thanks!

Kim (Cole) ran the clocks, and also the finish line. For those of you NOT THERE – you missed a really nice experience.
